

2024 OAKLAND RISING ACTION PROGRESSIVE PRIMARY ELECTION VOTER GUIDE

VOTE THIS PRIMARY ELECTION: TUESDAY, MARCH 5TH 2024

NIKKI FORTUNATO BAS

ALAMEDA COUNTY BOARD OF SUPERVISORS
DISTRICT 5

We support Nikki Fortunato Bas because of her progressive, values-aligned leadership, which places economic justice at its core. We believe that we can continue to work with Bas to advance county policies on budget transparency, tenant protections and economic recovery for workers and small businesses.

JENNIFER ESTEEN

ALAMEDA COUNTY BOARD OF SUPERVISORS
DISTRICT 4

We support Jennifer Esteen because of her fearless, progressive, and transformational leadership, which places racial justice at its core. We believe we can work with Esteen to advance county policies on improving healthcare, increasing job opportunities, investing in affordable housing and improving our justice system.

Yes on Measure B to save millions of dollars on special recall elections and to protect democracy.

Measure B is a positive step toward good governance of our county elections process. Measure B is a charter amendment to improve the county's recall procedures that the majority of the Board of Supervisors approved to be on the ballot. The current Alameda Charter Section 62 which describes how a recall is to be conducted is unconstitutional and unfeasible to implement. **Measure B would simply align our county charter recall procedures to state election law like every other county charter in California.**

Oakland Rising Action supports Measure B because recalls must not be abused by a minority of voters who disagree with progressive policies. Recall elections cost taxpayers millions of dollars, almost three times the cost of a regular election. **We believe that our taxpayer dollars must be invested in community programs and services NOT special recall elections.**

Alameda County, let's get our election procedures in alignment with the rest of California and get refocused on improving our county for all.

Oakland Rising Action is a member of the Working Families Party (WFP). WFP is building a multiracial party of working people to transform our state and country. We're a multiracial party that fights for workers over bosses and people over the powerful.
